Standard Dredge and Fill:

1. C&D Interests – Map 15 Lot 56 Install driveway to access Building sites within proposed subdivision.

Discussion:

T. Hoopes recused himself. Commissioners discussed site being for possible complaints. Three commissioner's viewed property for possible subdivision, map 15/lot 56.2 is not a legal lot of record. Commissioner's noted that lots 56.1 and 56.2 do not legally exist on Town tax map and to send a reduced scale segment of the tax map with comments to NHDES, noting that the lot in addition to the segment of plan inserted in the application shows only a small portion of the total amount of wetlands on the property. The proposed driveway location is not the least impacting. Commissioner's reviewed the Planning Boards conceptual sub-division build-out for reference. Commissioner's discussed that the access is 25 ft wide and is not the least environmentally impacting. J. Gengras will review comments of impact made to the Planning Board. Motion for J. Gengras to revise previous comments and send to NHDES including an 11X17 map. Revised comments should note that Wetlands Bureau, what maximum impact will be and question the driveway expansion into the future will be.
